

Reviva

If You Like Your Medium Duty Well Done.

Reviva offers a full line of medium duty remanufactured diesel engines for On-Road and Off-Road applications. *All engines are assembled in the USA.*

All of Reviva's complete-drop in engines are dyno-tested and configured for quick installation. Our goal is to deliver an engine that can be installed in the most efficient manner—ensuring you're back up and running in days, rather than weeks or months.
